Drydocks World - SE Asia delivers an Anchor Handling Tug Supply Vessel of UT design to ESNAAD/ADNOC Group

Singapore, 7 August 2008 – Drydocks World - SE Asia has completed the delivery of an Anchor Handling Tug Supply Vessel (AHTS) of the premium Rolls-Royce Marine UT780 design to Abu Dhabi based ESNAAD/ADNOC Group.

The 60 tonnes Bollard Pull vessel is powered by two 1,800kW engines and is the second vessel delivered from a series of five on order at Drydocks World – Nanindah for ESNAAD/ADNOC Group.

Mr Darwish A.Al Qubaisi, General Manager of ESNAAD, formally took delivery of the vessel and presided over the naming ceremony.
