## **“OCEAN LARK” Search and Rescue Operation - Update**

The Maritime and Port Authority of Singapore (“MPA”), the Republic of Singapore Air Force (“RSAF”), the Republic of Singapore Navy (“RSN”) and commercial vessels continued search and rescue (“SAR”) operations for the third day for missing persons from tugboat “OCEAN LARK”.

On 8 January 2010, another 3 bodies were recovered from “OCEAN LARK”, bringing the total number recovered to 7.

Search efforts for the remaining missing persons are still ongoing.

All at Drydocks World - Southeast Asia Pte. Limited are shocked and deeply upset by this incident and our thoughts are with the families, friends and loved ones of all the crew.
